### PRESS RELEASE

November 5, 2016

Each November, the Nebraska One Box Pheasant Hunt hosts hunters from all over the country for three days of shooting competitions, hunting activities, award banquets, and social events. Sunrise to sunset, select hunters search the sky for majestic pheasants to take flight. Equipped with ONE BOX of shells, only ONE five-member team can share the glory of bagging the most birds.

The 56th One Box Pheasant Hunt featured seven new teams and 32 past shooters. Fundraisers, award banquets, and social events were held at the Cobblestone Hotel and Nebraska One Box Convention Center in Broken Bow, NE. Many competitors traveled from out of state for this adventure of a lifetime and special guest Nebraska Governor Pete Ricketts was in attendance for the Friday evening banquet and festivities.

The Nebraska One Box Pheasant Hunt is proud to announce the **2016 HUNT RESULTS** of the nation's top pheasant hunt set in the beauty of the Nebraska Sandhills.

The **FLUSHEM-N-CRUSHEM** team takes 1st Place, following the 56th Annual One Box Pheasant Hunt in Broken Bow, Nebraska.

**Captain:** Bert Kirkpatrick • Broken Bow, NE  
Chet Kirkpatrick • Hastings, NE  
Joel Richardson • Stratton, NE  
John Webster • North Platte, NE  
Richard Aupperle • North Platte, NE

With one box of shells, this five-member team scored **65 POINTS** shooting **13 pheasants** to take first place. Local guides Bob Allen and Mike Bell, dog handler Jeff White, and scorekeeper Brett Kirkpatrick share the glory. The NEBRAS-TEX team came in second with 50 POINTS and ROCK CREEK FARMS came in third also with 50 POINTS. This close tie was broken by the most successful time.

The competing past shooters team captained by Matt Varney, took first place. Team members included Wade Williams, Mitch Williams, and Casey Williams. Travis Collier and Colby Collier helped guide the successful team.

Since 1961, the Nebraska One Box Pheasant Hunt has been dedicated to the fellowship among sportsmen and supporting the creation of wildlife habitat. The One Box corporation is composed of local residents who aim to promote the fine hunting and recreational opportunities so abundant in Central Nebraska. The group is instrumental in funding local scholarships and the creation of the One Box Gun Club, boasting a successful youth shooting program with members competing in elite national competitions. Local volunteers, generous sponsors, and community supporters make this annual event a success.
